In collaboration with KUMC’s Academic Affairs Office, the Center for Interprofessional Education and Simulation at KUMC would like to invite all KUMC faculty, students and clinicians to submit a research abstract for the Academic Day Interprofessional Poster Session. Posters presented at previous local, regional, national or international conferences are eligible. Received abstracts will be made available electronically through the Office of Academic Affairs Interprofessional Development webpage prior to the poster session. You do not need to participate in the Interprofessional Preceptor Summit to submit an abstract for or to attend this poster session. All are welcome!

The purpose(s) of this Interprofessional Poster Session include:
1) To increase visibility of the excellent interprofessional research that is taking place at KUMC
2) To stimulate ideas for additional interprofessional research at KUMC
3) To foster collaboration among interprofessional colleagues at KUMC

**SUBMISSION DEADLINE:** 11:59 PM on November 1, 2016 (Tuesday)

Please email your abstract (in Microsoft Word format) to Marty McLaughlin (mmclaughlin@kumc.edu) by the submission deadline listed above.

Research Requirements
1) The research must be directly related to either interprofessional education and/or interprofessional collaborative practice, which are defined below.
   a) Interprofessional Education - When students from two or more professions learn about, from and with each other to enable effective collaboration and improve health outcomes.¹
   b) Interprofessional Collaborative Practice - When multiple health workers from different professional backgrounds work together with patients, families, carers, and communities to deliver the highest quality of care.¹
2) The research must have been conducted no earlier than calendar year 2014.

Additional Research Suggestions and Recommendations
1) Learner or patient-centered
2) Related to the Interprofessional Education Collaborative Competences (Values and Ethics for Interprofessional Practice, Roles and Responsibilities, Interprofessional Communication, Teams and Teamwork)
3) Related to TeamSTEPPS®
4) Interprofessional simulation

Abstract Requirements
The abstract should be no more than 400 words, not including items 1-4 below. Although this is not a peer-reviewed process, abstracts will be made available online through the Office of Academic Affairs prior to the poster session. All abstracts/posters must appropriately cite sources of information.
1) Title
2) Authors (and Departments) with an asterisk (*) after the presenting author’s name
3) Conflicts of Interest (if applicable)
4) Funding Source (if applicable)
5) Background
6) Purpose
7) Methods
8) Results
9) Discussion
10) Conclusion

*Please see page 2 for additional Poster Session information.*
Additional Poster Session Information

**Please Note:** It is expected that authors of submitted abstracts will be present during the poster session to answer questions and engage the attendees. The poster session will take place from **11:15 AM to 12:00 PM** (45 minutes).

In addition, please ensure the posters are displayed during the morning break, which starts at 9:30 AM. You may put up your poster any time after 8 AM that morning. Please leave the posters up through 1:15 PM (the end of the scheduled events for the day). They will need to be removed by 4 PM that day.

Display boards for the posters will be 4’ x 8’. Pushpins will be available to presenters at the poster session. Poster boards will be numbered (corresponding to your assigned abstract number). You will be notified of your poster number prior to the Academic Day.

The poster session will be held in the open space on the same floor and adjacent to the Beller Conference Center in the Hemenway building (up the stairs from the main lobby).
