Directions to the Baby Lab at KU Medical Center

Child Development Lab (Baby Lab)
University of Kansas Medical Center
3901 Rainbow Boulevard
1044 Miller Building (Mail Stop 4003)
Kansas City, KS 66160
913-945-8560
babylab@ku.edu

Driving Directions from I-35
- Take the 7th St. Trafficway./Rainbow Blvd. exit (234A)
- Go south on Rainbow Blvd.
- Go up the hill and turn left (east) on Olathe Blvd.
- The Olathe II Public Parking Garage is on the south side of the street, across from the Medical Office Building entrance

Parking
- Parking is free to visitors of the Baby Lab in the Olathe II Public Parking Garage on Olathe Boulevard. (We will validate your parking pass.)
- If Olathe II Garage is full, use Cambridge Parking Facility. Turn right out of Olathe II Garage. Take immediate left on Cambridge Street. The Cambridge Garage will be on your right, across from main hospital entrance. Call us (913-945-8560) and we will meet you at the hospital entrance.

Directions to the Lab
- Park in the Olathe II Public Parking Garage.
- Exit the parking garage on Floor 1.
- Cross Olathe Boulevard and enter the Medical Office Building (MOB) main entrance (directly across the street from the Olathe II Parking Garage).
- Enter the MOB and follow the blue balloons to the Child Development Lab.
- After entering the MOB, go through the double glass doors on your left, take the ramp on your right down to the double glass door entrance to the Miller Building.
- Upon entering Miller, walk past the KU Eye Clinic & Optical Shop on your left, and follow signs to the Child Development Lab. The family waiting area is Room 1044.
