c. SHP  
   i. Matt Mayo has communicated there will be MS level Graduate students available free of charge for student statistical service needs (no details are known as to what this includes). Roll out is set for this Fall. These services are only available for students and not Faculty. In light of this, SHP research committee opted to send out a needs assessment survey to assess statistical services needs with plans for reassessment after the new services have been implemented. Whatever needs have not been met, we will work to address making those services available.
