Summer is coming...things to remember:

- Any F-1 or J-1 international planning to leave the United States should visit OIP to obtain a travel signature.
- Remember to be aware of your passport expiration date. The passport renewal process should be started at least 1 year in advance.
- If any international is planning to invite their family member(s) to the United States, contact OIP to obtain an invitation letter that can be used to obtain a visitor's VISA.

Congratulations to our 2015 Spring Graduates!
