Kansas Health Foundation

Support is provided for the spring 2015 series
in part by the Kansas Health Foundation.

KANSAS PUBLIC HEALTH GRAND ROUNDS

SPRING 2015 SERIES

WEBCONFERENCES FROM 12:00 - 1:00 P.M.

Broadcast time:

Broadcast time will be 12:00 – 1:00 p.m. via the Adobe Connect Webconferencing System. Sessions will begin and end promptly. Participants at your location will be able to view the slide presentation and hear the speaker, as well as respond either by using a microphone at your site or by typing in questions.

Registering for the Spring 2015 Series:

Registration for the Spring 2015 series is open.

To register via email: Email us at ksphgr@kumc.edu and note “Registering for KS Public Health series” in the subject line. Please include the following information in your e-mail:

Name of organization:

Mailing address:

Phone and fax numbers:

Name and e-mail address of contact person(s): *(This individual will receive e-mail correspondence regarding each session such as sign in rosters, handout materials, evaluation forms and links to online registration form and evaluation to distribute to participants. If participants complete paper copies of registration form and evaluation the contact person will be responsible for returning these documents to our office.)* This individual will receive a Syllabus and handout for each session. The Syllabus will include the link to Survey Monkey so that each attendee will be responsible for completing their registration form and evaluation online. This is to be completed no later than the Friday following each broadcast.

To register via phone: Contact the KU Medical Center Area Health Education Center by calling (620) 235-4040.

Fee:

\$100 per organization **per computer** for the Spring 2015 series (total of 14 sessions). Registered organizations or individuals may log on for any, or all, of the sessions at their discretion. The fee will remain the same; it will not be prorated based upon the number of sessions attended.

Support is provided for the Spring 2015 series in part by the Kansas Health Foundation. Assistance is available to provide 50% (\$50.00) of the site registration fee for up to 30 local health departments registering for the Spring 2015 series. The local health department will be responsible for the remaining \$50.00. The stipend will be available on a first come, first served basis.

Please note: There will be a \$100 fee for each computer at your site the organization is using for the series.

Continuing Education Credit/Certificates of Attendance:

The organization fee will include continuing education credit for nurses, social workers and a certificate of attendance for other individuals that are **employed by or volunteering at your organization and attending at your site**. A transcript will be issued at the conclusion of the series; certificates will not be issued for each individual session.

Please note: In order to continue to provide continuing educational activities for an economical fee, we are implementing the registration and evaluation forms online. Site contacts will provide each participant at their site with the link to where they may complete their registration and evaluation form online. Forms are available online at the beginning of the Adobe presentation and will be available until the following Monday.

Technology Test:

In order to increase the probability that technology glitches will be discovered and eliminated prior to the broadcasts, we ask all sites to complete a technology test. Information will be provided to the site contact after registration.

Note to MPH students:

This series will also be offered for academic credit in KU's MPH program. The Grand Rounds is built around the Public Health Seminar (PRVM 805), a long standing course in the department. Seminar students who participate in the Grand Rounds will fulfill their requirements for the course. If interested please contact Tanya Honderick (thonderick@kumc.edu phone 913-588-2720) or Melissa Armstrong (marmstro@kumc.edu phone 316-293-2693).
