ACE Curriculum Discipline Leaders and Thread Heads

**Discipline Leaders**

- Clinical Skills – [David Becker, MD](mailto:David.Becher@med.wayne.edu), Assistant Professor, Internal Medicine
- Pathology – [Mathur, Sharad](mailto:Sharad.Mathur@va.gov), Chief, Pathology and Laboratory Medicine, VA Medical Center
- Physiology – [John Wood, PhD](mailto:John.Wood@wayne.edu), Associate Professor, Molecular and Integrative Physiology
- Molecular and Cellular – [Joe Fontes, PhD](mailto:Joe.Fontes@wayne.edu), Associate Professor, Biochemistry and Molecular Biology
- Population and Social Sciences – [Catherine Satterwhite, PhD](mailto:Catherine.Satterwhite@wayne.edu), Assistant Professor, Preventive Medicine and Public Health
- Pharmacology – [Beth Levant, PhD](mailto:Beth.Levant@med.wayne.edu), Professor, Pharmacology, Toxicology and Therapeutics

**Thread Heads**

- Anatomy (Gross) – [George Enders, PhD](mailto:George.Enders@wayne.edu), Associate Professor, Anatomy and Cell Biology
- Anatomy (Clinical/Medical Imaging) – [Kirk Miller, DO](mailto:Kirk.Miller@med.wayne.edu), Assistant Professor, Radiology
- Behavioral Science – [Buddy Poje, PhD](mailto:Buddy.Poje@wayne.edu), Associate Professor, Psychiatry and Behavioral Sciences
- Biochemistry – [Liskin Swint-Kruse, PhD](mailto:Liskin.Swint-Kruse@wayne.edu), Associate Professor, Biochemistry and Molecular Biology
- Biostatistics – [Jo Wick, PhD](mailto:Jo.Wick@wayne.edu), Assistant Professor, Biostatistics
- Cancer Biology – [Dan Dixon, PhD](mailto:Dan.Dixon@wayne.edu), Associate Professor, Cancer Biology
- Cell Biology – [Mike Werle, PhD](mailto:Mike.Werle@wayne.edu), Associate Professor, Anatomy and Cell Biology
- Diversity – [Maria Alsonso-Luaces, PhD](mailto:Maria.Alsonso-Luaces@wayne.edu), Director of Academic, Professional and Workforce Development, Office of Diversity and Inclusion
- Epidemiology - [Catherine Satterwhite, PhD](mailto:Catherine.Satterwhite@wayne.edu), Assistant Professor, Preventive Medicine and Public Health
- Ethics – [Carla Keirns, MD, PhD](mailto:Carla.Keirns@med.wayne.edu), Assistant Professor, History and Philosophy of Medicine
- Geriatrics – [Dan Swagerty, MD](mailto:Dan.Swagerty@med.wayne.edu), Associate Professor, Family Medicine
- Health Policy/Management – [Ellen Averett, PhD](mailto:Ellen.Averett@wayne.edu), Associate Professor and MHSA Program Director, Health Policy and Management
- Histopathology – [Jim Fishback, MD](mailto:Jim.Fishback@med.wayne.edu), Professor, Pathology and Laboratory Medicine
- Human Development – [Brenda Rongish, PhD](mailto:Brenda.Rongish@wayne.edu), Associate Professor, Anatomy and Cell Biology
- Human Sexuality – [Carrie Wieneke, MD](mailto:Carrie.Wieneke@wayne.edu), Associate Professor, Obstetrics and Gynecology
- Immunology and Blood – [Tom Yankee, PharmD, PhD](mailto:Tom.Yankee@med.wayne.edu), Associate Professor, Microbiology, Molecular Genetics and Immunology
- Infectious Disease – [Wolf Zueckert, PhD](mailto:Wolf.Zueckert@wayne.edu), Associate Professor, Microbiology, Molecular Genetics and Immunology
- Interprofessional Education – [Jessica Kalender-Rich, MD](mailto:Jessica.Kalender-Rich@wayne.edu), Associate Professor, Internal Medicine
- Laboratory Medicine – [Fred Plapp, MD, PhD](mailto:Fred.Plapp@med.wayne.edu), Clinical Professor, Pathology and Laboratory Medicine
- Molecular and Genetics – [Chad Slawson, PhD](mailto:Chad.Slawson@wayne.edu), Assistant Professor, Biochemistry and Molecular Biology
- Nutrition – [Candice Rose, MD](mailto:Candice.Rose@med.wayne.edu), Assistant Professor, Internal Medicine
- Pain and Palliation – [Smith Manion, MD](mailto:Smith.Manion@med.wayne.edu), Assistant Professor, Anesthesiology
- Pharmacology (systems) – [Ken McCarson, PhD](mailto:Ken.McCarson@wayne.edu), Professor, Pharmacology, Toxicology and Therapeutics
- Informatics – [Aroop Pal, MD](mailto:Aroop.Pal@med.wayne.edu), Associate Professor, Internal Medicine
- Physiology (cardiovascular/pulmonary/renal) – [Gustavo Blanco, MD, PhD](mailto:Gustavo.Blanco@wayne.edu), Professor, Molecular and Integrative Physiology
ACE Curriculum Discipline Leaders and Thread Heads

- Physiology (endocrine/sexuality) – Warren Nothnick, PhD, Professor, Molecular and Integrative Physiology
- Physiology (neuro) – John Stanford, PhD, Associate Professor, Molecular and Integrative Physiology
- Population Health – Ky Stoltzfus, MD, Assistant Professor, Internal Medicine
- Professional Development – Abebe Abebe, MD, Assistant Professor, Internal Medicine
- Simulation – Alicia Peterson, MD, Assistant Professor, Emergency Medicine and Internal Medicine
- Social Determinants – Natty Mabachi, MD, Research Assistant Professor, Family Medicine
