2013 - What KUMC Preceptors value

A SURVEY DONE BY THE SUMMER PROGRAM STUDENTS
Preceptors asked to rank the following from: 1 = No interest to 5 = Very interested

A. An annual preceptor conference on teaching techniques (Teaching)
B. An annual preceptor reception/banquet (Reception)
C. Access to CE events or to coursework (CE)
D. Access to e-journals or a service such as UpToDate (UpToDate)
E. Volunteer faculty appointments (Faculty Appt)
F. Credit toward professional certification or recertification (CME Credit)
G. Resources/supports related to precepting (Resources)
H. Certificate of appreciation from the school (Certificate)
I. Other - Comment

KUMC Preceptors that regularly host students for the Summer Rural Program were surveyed about their preferences of benefits and teaching resources
Surveys were received from 53 rural and frontier Kansas physicians across the state.
We received 53 surveys back from a total of 69 attempts. Students were able to get a 76.8% response rate. Demographics broke down reflecting the general distribution of Kansas physicians.

Who Responded (n=53)

MD vs DO

F vs M

53/69 surveys were completed for a 76.8% response!

 Basically Preceptors want CME credit for taking students. They also wanted access to teaching resources, such as UpToDate, Continue Education Courses (with CE credit) on good teaching, and other teaching resources. Preceptors did not seem to care for recognition for their work as a faculty volunteer.
There was virtually no variation in response across regions of Kansas.
No significant variation except that DO’s did not list a Faculty Appointment as something they were interested in.
There were no gender differences in responses.
Conclusion

- Preceptors want CME credit for taking students.
  - Currently the AAFP and the AMA allow for 20 hours of self reported credits for teaching medical students.

- Other resources listed as a general interest were:
  - Teaching resources
  - UpToDate
  - Continue Education Courses (with CE credit)
  - Other teaching resources.

- Preceptors did not seem to care for recognition for their work including
  - Volunteer faculty appointment
  - Certificate
  - Annual Preceptor Conference
  - Preceptor Recognition Reception
