

KU Bachelor's Degree in Clinical Laboratory Science Program Outcomes

Board of Certification Examination Pass Rates

BS in CLS – Clinical Concentration (NAACLS-accredited MLS program)

Year	Number of Examinees	MLS(ASCP) Pass Rate
2011	18	100%
2012	15	100%
2013	7	100%
2014	14	100%
2015	10	100%
2016	13	100%
2017	18	100%
2018	17	§

BS in CLS – Molecular Biotechnology Concentration (NAACLS-accredited DMS program)

Year	Number of Examinees	MB(ASCP) Pass Rate
2011	6	100%
2012	7	100%
2013	3	100%
2014	8	100%
2015	5	100%
2016	2	100%
2017	5	80%
2018	6	§

Graduation and Employment Rates

BS in CLS – Clinical Concentration (NAACLS-accredited MLS program)

Year	Number of graduates	Graduation Rate*	Employment Rate#
2011	19	91%	100%
2012	13	100%	100%
2013	10	100%	100%
2014	15	100%	100%
2015	10	100%	100%
2016	13	100%	100%
2017	18	100%	100%
2018	17	§	§

BS in CLS – Molecular Biotechnology Concentration (NAACLS-accredited DMS program)

Year	Number of graduates	Graduation Rate*	Employment Rate#
2011	5	100%	100%
2012	8	100%	100%
2013	3	100%	100%
2014	8	100%	100%
2015	5	100%	100%
2016	2	100%	100%
2017	5	100%	100%
2018	6	100%	§

* Number of students who started and subsequently completed the Senior Year of the program

Percent employed and/or continued their education within six months of graduation

§ As of this update, some students have yet to sit for the Certification exam or are completing both concentrations & will finish in December.
