KU Medical Center is a collaborative, interprofessional academic setting, extensively engaged with our community. Kansas City is a collection of friendly people living in a diverse, family-friendly metropolitan environment rich in culture and the arts, having a low cost of living, a vibrant music community, and a food scene with appeal to all tastes.

Kansas City frequently appears in "Best of..." lists for good reason! See: <http://thinkkc.com/life/creative-crossroads/kc-options>
