Your application has been selected for review in a process called “Verification.” In this process, Financial Aid & Scholarships (FAS) must compare information from your Free Application for Federal Student Aid (FAFSA) with information from the IRS and/or other financial documents. Section 483 of the Higher Education Act of 1965, as amended, gives us the authority to ask for this information before awarding federal aid. FAS will compare the submitted documents to your FAFSA information. If there are any discrepancies, FAS may request further clarification. If corrections are needed, FAS will make them on your behalf.

If you wish to be considered for limited-funded aid programs, the deadline for COMPLETING the verification process for the 2015-16 academic year is April 1, 2015. For awarding of loans, all verification documents for the 2015-16 academic year must be submitted by May 1, 2016 (prior to the end of the Spring 2016 term). Students who think they will qualify for Pell Grants should contact FAS if submitting documents after May 1, 2016.

Verification file review may take up to four weeks.

No federal, state, or institutional financial aid will be awarded to you until the verification process is complete.

WHAT YOU NEED TO DO:
1. Collect and photocopy your (and your parent(s)/stepparent’s) signed 2014 federal income tax forms, schedules, W-2s and 1099s. **Do not send original tax documents. They will NOT be returned.** If you and/or your parent(s) used the IRS Data Retrieval Tool on the FAFSA, tax forms DO NOT need to be submitted for those individuals.
2. Complete and sign this worksheet.
3. Submit the completed worksheet and signed copies of tax forms (if IRS Data Retrieval Tool not used) and other documents to FAS (address/fax indicated above) as soon as possible so that your aid will not be delayed. Once you submit verification documents, please do not make any corrections to your FAFSA unless instructed to do so by FAS.
