Kansas Telehealth Summit

Learn the latest telehealth and HIT trends for supporting the healthcare workforce and improving quality of care.

July 14, 2020
OFFERED AS A VIRTUAL CONFERENCE

KU Institute for Community Engagement
The University of Kansas Medical Center

KU Center for Telemedicine & Telehealth
OBJECTIVES
At the conclusion of the conference, participants will be able to:
• Apply the latest technologies in telehealth to rural primary care.
• Discuss the organizational and workforce aspects of employing telehealth.
• Use telehealth in a variety of primary care settings.
• Discuss how COVID-19 has affected telemedicine in Kansas.

TARGET AUDIENCE
Health care administrators, IT management, public health personnel and health care and behavioral health professionals

HOW TO REGISTER
Register online at www.eeds.com/live/453536
Registration Deadline: July 7, 2020
For further assistance with registration, contact the KU AHEC Statewide Office by calling (620) 235-4040.

REGISTRATION/CANCELLATION
The registration fee is $50. Pre-registration deadline is July 7, 2020. A $15 late fee will be assessed after July 7, 2020. Pre-registration is your only guarantee of space and program materials.
A registrant may cancel no later than July 11, 2020, to receive a refund, minus a $15.00 administrative fee. After that time, no refunds will be made. The registration fee will not be transferred to future offerings. Refunds are made by mail. The sponsors reserve the right to cancel the program in the event of insufficient registration. The sponsors will not be responsible for any losses incurred by registrants, including but not limited to airline cancellation charges or hotel deposits.

PROGRAM ACCESSIBILITY
We accommodate people with disabilities. Please call (620) 235-4040 or mark the space on the registration form and a KUMC Area Health Education Center representative will contact you to discuss your needs. To ensure accommodation, please register at least two weeks before the start of the conference. The sponsors are committed to providing programs and activities to all persons regardless of race, religion, color, national origin, ancestry, sex, age, disability, and veteran status. In addition, university policies prohibit discrimination on the basis of sexual orientation, marital status, and parental status. KUMC is an AA/EEO Title IX institution.

FOR MORE INFORMATION
Call KU Area Health Education Center at (620) 235-4040

3:55 - 4:00 p.m.  Closing Remarks

4:00 p.m.  Adjourn
Jennifer Bacani McKenney, M.D., FAAFP

Jennifer Bacani McKenney is a practicing family physician in her hometown of Fredonia. She has owned and managed an independent practice alongside her father for the last 10 years. Dr. McKenney served as the resident board member on the national Board of Directors of the American Academy of Family Physicians and the Society of Teachers of Family Medicine. Currently she serves as the Vice-President of the Kansas Academy of Family Physicians and will step into the presidency of the organization in 2022. She is also on the board of the Kansas Medical Society. Dr. McKenney is the Wilson County Health Officer as well as the Fredonia City Health Officer. She is the director of the local home health agency and hospice agency.

Sosunmolu O. Shoyinka M.D., MBA, FAPA

Dr. Sosunmolu Shoyinka is the Chief Medical Officer for the Department of Behavioral Health and Intellectual disAbility Services (DBHIDS). In this role, he works to ensure that policy and programs throughout DBHIDS are aligned with current evidence and best practices to achieve optimal population health outcomes. Dr. Shoyinka’s clinical experience spans multiple settings. These include telemedicine, academic medicine, private for-profit and state hospitals, forensic, correctional settings, primary care, federally qualified health centers, health homes and community mental health settings. He is board-certified in general adult psychiatry, community and public psychiatry, and addiction medicine.

Ryan Spaulding, Ph.D.

Ryan Spaulding is the Acting Director of the KU Center for Telemedicine & Telehealth (KUCTT), the Vice Chancellor for Community Engagement, and a Research Associate Professor of Biostatistics and Data Science at the University of Kansas Medical Center (KUMC). Previously he was the Director of KUCTT for 12 years. In his current role, he oversees multiple university departments that provide healthcare services and education to rural communities in Kansas, including the Kansas Project ECHO program at KUMC. He is a member of the American Telemedicine Association and the National Rural Health Association.

Lucinda (Cindy) Whitney, DNP, APRN, PMHNP-BC, Ph.D.

Dr. Lucinda Whitney is a Clinical Assistant Professor and program coordinator for the University of Kansas Psychiatric Mental Health Nurse Practitioner program. She has been a mental health nurse for 33 years and in advance practice for 15 years. She has a clinical practice at Kids TLC in Olathe, Kan. and a telehealth clinic at the Community Health Center of Southeast Kansas. Lucinda is the past president and current treasurer of the Kansas Psychiatric Nurses Association.

Shawna Wright, Ph.D., LP

Shawna Wright is the Associate Director of the KU Center for Telemedicine & Telehealth. She is a clinical psychologist who worked for over a decade in community mental health before establishing an independent telepsychology practice in 2011. Dr. Wright is a member of the American Psychological Association and the National Rural Health Association. Locally, she is a member of the Rural and Frontier Subcommittee of the Governor’s Behavioral Health Services Planning Council, and more. She assists organizations, health professionals, and research studies in understanding the core fundamentals of telemedicine operations.
