

# OCTH 790 Research Practicum

## Research Paper - Group Assessment

Each person on the research team receives the same point total awarded to the research paper submitted by that research team, based on the criteria listed below.

Research team: \_\_\_\_\_

Project title: \_\_\_\_\_

Mentor name: \_\_\_\_\_

CRITERIA	POINTS POSSIBLE	POINTS EARNED
<b>I. TITLE PAGE</b>		
a. title is appropriate to the project	5	
b. running head is correct	5	
<b>II. INTRODUCTION</b>		
a. problem is introduced clearly	5	
b. hypotheses / expectations are stated clearly	5	
c. relevant literature used to support purpose / hypothesis	5	
d. section contains a clear statement of purpose and rationale	20	
e. relevance to Occupational Therapy is stated	5	
f. Introduction section is consistent with final project	5	
g. citations are used appropriately	5	
<b>III. METHODS</b>		
a. appropriate subheadings	5	
b. sufficient detail to allow replication	5	
c. procedural details are described accurately and clearly	5	
d. Method section is consistent with final project	5	
<b>IV. RESULTS SECTION</b>		
a. analyses accurately described	5	
b. results presented clearly	10	
c. tables and/or figures accurately summarize data	10	
<b>V. DISCUSSION SECTION</b>		
a. findings stated clearly	20	
b. findings interpreted in related to literature reviewed	20	
c. implications for theory and/or practice are stated	5	
d. relevance to Occupational Therapy is stated	5	
e. suggestions for future research are made	5	
<b>VII. REFERENCES</b>		
a. listing matches the citations used in text	5	
<b>VIII. STYLE AND FORMAT</b>		
a. proper grammar and spelling	10	
b. absence of typographical errors	5	
c. appropriate length	5	
d. content of all sections flow, logically and stylistically	5	
e. APA style is followed correctly	10	
<b>TOTAL POINTS EARNED:</b>	(200 possible)
