

SAH Faculty Meeting  
January 23, 2002

Meeting was called to order at 11:40 by Jeff Radel, Chair of Steering Committee.

Jeff briefly reviewed the proposed by-law changes that were introduced at the last meeting. There were some questions, clarifications and discussion. Two votes were taken. In summary, the first vote was to approve the newly named Professional Development Committee. The new committee was approved. The second vote was to eliminate the two previous committees, Student Affairs and Faculty Development. The elimination from the current by-laws of the two committees was approved. The newly created committee along with the duties will be posted on the SAH website.

Dean Miller was then introduced. She spent her time informing the faculty of recent discussions from higher administration that affect the school and the faculty. The major items discussed were the budget difficulties of the State of Kansas for 2002-2003 and the likely increase in the tuition for the students in Regents institutions. Definite changes will probably not be known until April or May 2002. The school will likely lose about 6% of their budget.

The meeting was adjourned at 12:55.
