

Meeting Minutes
November 1, 2004

Reintroductions:

Members present introduced themselves and what departments they represent.

T-Shirt Ideas:

The t-shirts were discussed and it was suggested to do a red long-sleeved shirt with Jayhawks on the sleeve and possibly a smaller design on the front and one even on the back, depending on cost. Paige and Meredith will be contacting the KU Bookstore representative who works with us on making the shirts. Moffett will send out a future e-mail to have everyone vote on passing or vetoing this design. Stay tuned...

Fall Gathering:

We discussed the fall gathering and thought it would be good to have it at Kelly's again, which has been the tradition in the previous years. We will again need an e-mail vote to pass this motion. Potentially, it will be Thursday, December 2nd and attendees will be charged \$3 at the door, which will help go to pay for the pizza.

Future Meeting Dates:

Our next meeting will be Monday, November 29th. Moffett will contact everyone regarding the assigned room. Also, there will be no December meeting.

Respectfully submitted,
Michelle Molander
