PEPTIDE SYNTHESIS ORDER FORM

Principal Investigator: _____ Submitted By: _____

Department and Laboratory Address: _____

Phone Number: _____ Date Submitted: _____

Grant Account Number To Be Billed: _____

SEQUENCE OF PEPTIDES

Peptides must be written from the amino-terminal end to the carboxy-terminal end. Peptides can be written using the single letter symbol or three-letter abbreviation for the corresponding amino acid. For each peptide designate the scale of synthesis, the N-terminus and C-terminus ending, and if the peptide is a MAP by checking the appropriate box. For other modifications or larger synthesis scales, contact the Biotechnology Support Facility directly.

Name of Peptide: _____

Scale: _____ 25 mmole _____ 50 mmole

N-Terminus: _____ NH₂ _____ Acetylated **C-Terminus:** _____ COOH _____ Amide _____ MAP

N-Terminus - _____ - _____ - _____ - _____ - _____ - _____ - _____ -
 _____ - _____ - _____ - _____ - _____ - _____ - _____ - _____ -
 _____ - _____ - _____ - _____ - _____ - _____ - _____ - _____ -
 _____ - _____ - _____ - _____ - _____ - _____ - _____ - **C-Terminus**

For additional peptides, please use the Peptide Synthesis Continuation Order Form.
