

Overnight Dexamethasone Suppression Test

Taped below are 2 dexamethasone 0.5 mg tablets. A lab order for 8:00 AM bloodwork is attached.

Please take both tablets at 11:00 pm the night before your lab test is obtained. The following morning, go to the laboratory to have your blood drawn between 8:00 and 8:30 am.

It is very important that you arrive at 8:00 am to ensure this blood is drawn on time.
