

## Section 212(e) Certification

I am a J-1 exchange visitor. A department at the University of Kansas Medical Center has requested to transfer me in or extend my J-1 status.

- As documented on my passport or Visa;

I am not subject to Section 212(e), the two year home country physical presence requirement. Please sign and date this form and provide it to the KUMC Office of International Programs.

I am subject to Section 212(e), the two year home country physical presence requirement.

- If subject to Section 212(e), I understand that I am ineligible for an extension of my J-1 status once I have made application for a waiver of Section 212(e) and the DOS has issued a letter of “no objection”; I may fulfill the terms of my current program only. Furthermore, it is illegal for the Responsible Officer of an exchange program to issue an extension in this situation.
- If the DOS or the U. S. Citizenship and Immigration Service (USCIS) denies my waiver application, I remain in J-1 status (provided no violations have occurred), and transfers and extensions may be processed in the usual manner.
- I understand that providing false or misleading information is grounds for denial of a waiver application, extension, or continuation in program status.
- Check the appropriate item: **I have**
  - not made an application for waiver of Section 212(e).
  - submitted an application for waiver of Section 212(e), but have not received a letter or “no objection” from the DOS.
  - received a letter of “no objection” from the DOS and am waiting for a response from the USCIS (attach a copy of the DOS letter and/or USCIS receipt notice).
  - been granted a waiver to Section 212(e) by the USCIS (attach a copy of the Notice of Action).
  - applied for and been denied a waiver by the DOS or the USCIS.
