

## INSTITUTIONAL CORE FACILITY SUPPORT

This application is used to apply for support from the K-INBRE Administrative Core for institutional core facilities that support Cell and Developmental Biology. Proposals are limited to one period of funding. However, a new proposal for one additional year of funding may be considered if progress is satisfactory and a proposal for NIH funding has been submitted or is in preparation.

**Eligibility:** Tenure and Research Track Faculty Investigators are eligible to compete for these funds in all areas of Cell and Developmental Biology including:

1. Reproduction and embryonic development
2. Organogenesis
3. Developmental neuroscience
4. Cellular and developmental pathologies

There are no restrictions on the number of proposals that may be submitted per institution or within a category. Repetitive applications are not encouraged.

**Criteria:** Core Service grant proposals will be evaluated in terms of importance to the institutional and state Cell and Developmental Biology research initiatives.

**Funding:** Proposals may not exceed \$35,000 (direct costs). Facilities & Administrative Costs (F&A) can be added at 30% Modified Total Direct Costs (MTDC) or 30% Salary & Wage (S&W) as appropriate to your campus for Facilities & Administrative Cost (F&A) recovery. **Awards are contingent on availability of future funds from the NIH.**

**Submission:** Each application should be submitted as a single PDF file. Submit proposals to Heiata Chapman ([hchapman@kumc.edu](mailto:hchapman@kumc.edu)). Please mail one hard copy with original signatures to:

K-INBRE Administrative Office  
University of Kansas Medical Center  
Mail Stop 3050  
3901 Rainbow Blvd.  
Kansas City, KS 66160

Annual Deadline will be February 1 unless otherwise specified by the K-INBRE Administrative Core. All submissions must be received in the K-INBRE Administrative Office by 5:00 p.m. on February 1. Announcements of awards will be made May 1. Funds will be made available May 1 and must be spent or encumbered by April 30 of the following year.

*(KU-Lawrence submissions should have a signature from an authorized official prior to submission to the K-INBRE Administrative Office).*

For further information contact, Heiata Chapman ([hchapman@kumc.edu](mailto:hchapman@kumc.edu)).

Include the following cover page and attach a 3-page (maximum) justification/rationale for the request, include the number, names and grant support of the core participants and budget not to exceed \$35,000. Matching funds, although not required will strengthen the application and show proof of institutional support.
