

Graduate Student Council Meeting August 1, 2000

Minutes:

Discussion:

Debby Larsen discussed the New Graduate Student Orientation scheduled for Tuesday, August 22, 2000 in the MRRC Conference Room. She is still in need of a few volunteers for conducting a campus tour. Please email her at dlarsen@kumc.edu if you can help out. All graduate students are invited to attend the orientation lunch at noon in the MRRC Conference Room.

Creating a GSC brochure for incoming students was discussed. To save money it was decided to make a GSC information sheet to be included in orientation packets. In addition to the information presented on the template for the GSC brochure, it was decided to add other relevant phone numbers for Graduate Studies Office, more GSC web site information, and the date of our GSC Fall Party.

GSC will be holding a Fall Party on Friday, September 8, 2000. E-mail notification will be sent to new and current graduate students in Allied Health, Basic Sciences and Nursing schools.

Susanna Harju presented a motion to cancel the GSC information line that had been installed and never used. Angela Wilson seconded this motion. The motion passed with no opposition. Karen Stanze volunteered to stop the information line.

Brian Hermann discussed the status of finding a 2001 Student Research Forum speaker. He would like final suggestions by September 10, 2000. Please send suggestions to him by e-mail at bhermann@kumc.edu

Next meeting is tentatively scheduled for Wednesday September 20, 2000.

<u>Attendance:</u>	<u>Ext.</u>	<u>E-mail</u>	<u>Department</u>
Matt Ackermann	7068	macherma	Biochemistry
Joe Bast	6219	jbast	Graduate Studies
Julie Carlsten	2723	jcarlsten	Anatomy
Brian Hermann	7488	bhermann	Physiology
Kathleen Friel	7394	kfriel	Physiology
Debby Larsen	7014	dlarsen	Microbiology
Kellie McQueen	5447	kmcqueen	Biochemistry
Michelle Muessel	2732	mmuessel	Anatomy
Angela Wilson		awilson1	Pharmacology
Mike VanSaun	7491	mvansaun	Anatomy
Susanna Harju	5447	sharju	Biochemistry
Karen Rodriguez	5241		Graduate Studies
Karen Stanze	1238		Graduate Studies
