

## Graduate Student Council Meeting 12-8-99

## Minutes:

Minutes of the 11-10-99 GSC Meeting were reviewed.

Voting eligibility will be discussed at the next GSC meeting. The proposal included the following general guidelines:

- (1) All students recognized as eligible members of GSC (defined by by-laws) will have the eligibility to vote, at the beginning of each fall semester, the start of the academic year.
- (2) Students will lose their eligibility to vote when he/she is absent for 2 consecutive monthly meetings of GSC.
- (3) Student will regain his/her voting eligibility when he/she attends 2 consecutive meetings. Thus, they will be eligible to vote after they have attended 2 consecutive meetings.
- (4) Eligibility cycle or attendance cycle will begin at the first meeting of the academic year in the fall.
- (5) GSC Secretary will keep the attendance, thus eligibility record.
- (6) Therefore, all students (part of GSC) will be eligible to vote at the first meeting in the fall. All students will also have the eligibility to vote at the second meeting in the fall, even if they missed the first meeting. Beginning with the third meeting, those who have missed the first two meetings will not be eligible to vote on issues at the third meeting.
- (7) Exceptions may be made for specific issues, which are brought forth to GSC. Motion may be made ( by GSC President) to temporarily lift the attendance rule and majority of votes from the eligible voters will lift the attendance requirement for those specific issues.

A copy of the proposal will be presented to GSC members for review at the January meeting. Voting on this matter will take place in February.

Dean Knoll would like suggestions for what might be done for graduating graduate students. Suggestions can be given to Michelle Muessel.

The Technology committee will be distributing computers among the Biochemistry, Anatomy, Pharmacology and IGPBS departments.

GSC Vice-President Heather Stipp will be organizing a party for the Spring, most likely in February. Information on locations, food and music will be discussed at the January meeting.

We have requested a student SRF representative from the SGC to allow more involvement of medical students in the organization of SRF.

T-shirt and sweatshirt designs for GSC and graduate studies departments will be looked at by Mike VanSaun. This will be discussed at the January meeting.

**Next Meeting is January 12, 1999 in the MRRC Conference Room at noon.**

Attendance:	Extension:	Department:
Matt Ackermann	7068	Biochemistry
Tim Burnett	2734	Anatomy
Julie Carlsten	2723	Anatomy
Scott Falke	6940	Biochemistry
Kathleen Friell	7394	Physiology
Grace Guo	7715	Pharmacology
Eric Harstad	7715	Pharmacology
Susanna Harju	5447	Biochemistry
Brian Hermann		Physiology
Josh Langmade	6936	Biochemistry
Debby Larsen	7014	Microbiology
Kellie McQueen	5447	Biochemistry
Amy Mize	7143	Pharmacology
Michelle Muessel	2732	Anatomy
Janette Padgitt	7143	Pharmacology
Krystyn Riddle	5937	Speech-Lang-Hearing
Heather Stipp	5575	Microbiology
Michael Taylor	2723	Anatomy
Weu-Bin Tsai	2921	Anatomy
Mike VanSaun	7491	Anatomy
Shalmica Williams	7432	Physiology
