VII. Community Reports

- A. Library - students requested extension of Friday and Saturday meeting. Cost analysis being compiled based on MIS survey. Survey must be specifically sent from Jameson. Please submit the survey, because the

data will be used to decide on extension of hours. The survey closes on the 15th.

- B. Fitness Center - Jane submitted information regarding renovations. Looking at increasing fees for repairs- \$36,000 first quote looking for other options. Using loans for current repairs and paying off loan with student fees.
- C. Need to approach bookstore committee regarding funding for graduate student travel.
- D. Student Tech- The myfiles- students will have access possibly end of March. Beta group testing next week. In addition to current storage space on Angel. Benefits of myfiles - no frequent downloads - same storage amount as angel (100 GB) Students preferred to not receive text messages from university. Not able to have centralized calendar for student organizations. Please use the current university calendar. The Microsoft/Vista updates - KUMC has programs which are not compatible, word 7 should be available in April. Wireless is available in grades; last wave should be in April for Landon, Smith, bldg 48, and Fitness Center. Students having difficulty with wireless in the new research buildings. Gabe to f/u with IT.
- E. KUMC International Outreach - Sent a thank you. Having fundraiser Thursday, 15th Battenfield Auditorium appetizers, wine, and auction.
- F. Student appreciation pancake 8-10:30am in the library.
