

Graduate Student Council Meeting 1-12-00

Minutes:

Minutes of the 12-8-99 GSC Meeting were reviewed.

Date requirements for graduation were announced.

Lunches with the Vice Chancellor candidates were announced to be January 21 and January 28.

Voting eligibility was discussed. Revisions will be posted on the GSC Website. Revisions will include the enactment clause stating that the president may motion for the voting eligibility to affect specific votes during a meeting.

Dean Knoll would like suggestions for what might be done for graduating graduate students. Suggestions can be given to Michelle Muessel.

Scott Falke requested \$1500.00 from GSC for the Student Research Forum. This request was voted upon and granted.

The Technology committee has distributed computers among the Biochemistry, Anatomy, Pharmacology and IGPBS departments. The suggestion has been made to keep in contact with this committee for further upgrades in later years.

GSC Vice-President Heather Stipp will be organizing a party for March 11. Information on locations, food and music will be discussed further at the February meeting. Suggestions included Lake Quivera as the location and an '80's band for entertainment.

We have requested a student SRF representative from the SGC to allow more involvement of medical students in the organization of SRF.

We are now responsible for submitting current news events to the 'In the Center' paper. Anyone with topics needing publicity should contact Brian Hermann with typed items.

Next Meeting is February 9, 2000 in the MRRC Conference Room at noon.
