

GSC meeting minutes January 13, 2009  
Calkins Center

**I. New Business**

Position openings. Need senator to serve from school of nursing. Position was not filled.

- Department openings:
- Pharm/Tox
- Biochemistry
- Dietetics and Nutrition
- Hearing and Speech

These positions are still open.

The floor was opened to any student that is interested in presenting their research in Topeka for the Capitol Research Summit. This highlights graduate student research throughout the state of Kansas.

Report on the Graduate Council meeting in December: A new course is being offered in Physiology covering genetics (not molecular). The Graduate Council approved a new PhD program in Nutritional Sciences.

**II. Department Updates.**

Physiology—Did a blanket drive in December.

**III. Committee Updates.**

Library—Probably going to reduce their hours and cut some journals because of budget cuts. Passed out form to all the schools to determine peak hours of usage.

Community outreach—Sponsored children through Project EAGLE. Set funds aside and sponsored two boys. Received very nice thank-you note.

SRF—Planning is going on at a vigorous rate. Next meeting is February 4<sup>th</sup> at noon in Calkins Resource Center. Please come to the meetings as lots more help is needed.

**IV. Funding requests.**

Cultural Ex	100	Approved
PT	100	Approved
Chinese	100	Approved
Wine	100	Approved
Muslim	100	Approved
MD/PhD	100	Approved
