A vote was taken concerning the topic of amending the by-laws for the effective date of officer induction. The officers of Graduate Student Council will be elected in the Spring and will take charge of responsibilities in the Spring. This topic was voted upon and passed by majority.

Voting eligibility was discussed and it was suggested that students missing 2 meetings in a row lose their voting eligibility until attendance of 2 meetings in a row was completed. This topic will be researched by Michael Park and Gerald Call and possible changes will be presented and voted upon at the November 10, 1999 GSC Meeting.

We still need representatives for the Student Wellness Advisory Council.

The Student Advocate position, as posted on the website, was discussed and it was decided by majority vote that this position was not necessary and therefore will be removed from the website listing.
