Public Health (MPH)	Medicine	69 tied	102 tied (177)	2019

<sup>1</sup> The public rank is determined from the institution's Carnegie control status; this ranking is calculated internally and is not published nor endorsed by U.S. News.

<sup>2</sup> See <https://www.usnews.com/best-graduate-schools> for rankings methodology.

<sup>3</sup> To be ranked, the medical school must have received at least 7 nominations from medical school deans or senior faculty, who are asked to identify up to 10 schools offering the best programs in each speciality area.

**2. U.S. News and World Report, "Top Online Graduate Nursing Programs"<sup>3</sup>**

Program	Public Rank <sup>1</sup>	Overall Rank	Ranking Year
Nursing (MS)	41 tied	55 tied	2020

<sup>3</sup> The survey was sent to regionally accredited institutions (CCNE or NLNAC) that offer a master's degree in nursing. To be eligible for the statistical portion of the survey, respondents had to indicate that they offered a graduate nursing program (MS) meeting the U.S. News definition of a distance education program. Of the institutions that replied to the survey, 183 reported offering online programs according to the definition.
