THE VIRTUAL MOJO

Why Choose India?

● Unique Research Opportunities

India is one of the world's fastest growing economies with a population of 1.38 billion... Healthcare has become one of India's largest sectors, both in terms of revenue and employment. India's medical tourism market is growing at 18% y-o-y, and its competitive advantage lies in its large pool of well-trained medical professionals.

India is also cost competitive compared to its peers in Asia and Western countries. You will have interesting research opportunities in both traditional (including Yoga and Ayurveda) and modern medicine & healthcare!

● Cultural & Interactive Sessions

Immerse yourself in India's vibrant culture through exciting complimentary virtual sessions:

- An Engaging Dialogue on Indian Culture & Society (Orientation)
- Yoga & Meditation
- Indian Art Therapy & Mindfulness
- Bollywood Dance
- Eminent Guest Speaker from the Healthcare Sector

● Care & Support

The Virtual Mojo and Go India Initiative offer customised virtual exchanges & placements in India for students from across the world. We are focused on connecting India with the rest of the world through experiential learning programs in a diverse range of fields.

Our team will be there to support you before and during your placement, and also to organise sessions that enhance your experience!
