

Lateral Temporal Bone Carcinoma: Piecemeal vs En Bloc Approach

**Squamous Cell
Carcinoma External
Auditory Canal**

**40% En Bloc
60% Piecemeal**

Uniform Outcomes

**No Significant
Difference in Survival**

**Piecemeal LTBR Can Be
Considered**

**Where En Bloc
Resection is Precluded**

Muelleman et al. *Effect of Piecemeal vs En Bloc Approaches to the lateral Temporal Bone on Survival Outcomes.*
