The Department of Pathology & Laboratory Medicine

at the University of Kansas Medical Center is committed to the highest quality medical education and patient care. We offer a four-year residency in Anatomic and Clinical Pathology that supports up to 18 residents and consists of 4-week block rotations in AP/CP subspecialties.

Most rotations take place at the University of Kansas Health System and the Kansas City VA Medical Center with rotations in Pediatric/Molecular Pathology and Forensic Pathology at Children's Mercy Hospital and the Jackson County Medical Examiner's Office, respectively.

The Department also offers one-year fellowships in Cytopathology, Hematopathology and Surgical Pathology with most rotations occurring at the University of Kansas Health System.

One-year Post-Sophomore Fellowships through the department are also offered.
