

Brain Health Fellowship For Advanced Practice Providers

About the Fellowship

Advanced Practice Provider (APP) fellows will receive 6 months of intensive training to learn how to diagnose and treat individuals with Alzheimer's disease and related disorders.

Why apply?

- Be part of the care network of patients and their families
- Experience career-changing opportunities in the Memory Care Clinic
- Receive a \$45,000 salary over the 6-month fellowship

Eligibility & Timeline

This program is open to APPs that have graduated from an accredited nurse practitioner program. Applicants must be board certified as an APP, licensed in Kansas and Missouri, and have a DEA number.

When to apply?

Check out our website by scanning the QR code to find additional information and official deadlines for the Brain Health Fellowship for APPs.

Submit an application form with:
