

Anesthesiologist

General and fellowship-trained anesthesiologists in obstetrics, cardiac, neuro-anesthesia, pediatrics, critical care and regional encouraged to apply.

About the position

The University of Kansas Health System is actively recruiting general anesthesiologists as well as fellowship-trained anesthesiologists in the areas of obstetrics, cardiothoracic and neurosurgery, pediatrics, critical care and regional to become part of anesthesiology and pain medicine's dynamic, rapidly growing team. You will be joining a collaborative group of anesthesiologists who work to support the departmental mission to deliver the highest quality of care as well as satisfying teaching and academic responsibilities through the University of Kansas Medical Center in a fast-paced and diverse clinical practice.

The ideal candidate will be ABA-certified or equivalent. We offer competitive compensation, excellent benefits and a generous retirement plan.

About The University of Kansas Hospital

The University of Kansas Hospital is a 910-bed academic medical center with the Center for Advanced Heart Care, Level 1 Trauma Center, Center for Transplantation and Advanced Comprehensive Stroke Center. The University of Kansas Cancer Center is an NCI-designated cancer center. The hospital has consistently ranked nationally on U.S. News & World Report's Best Hospitals list since 2007 and has been named the No. 1 hospital in Kansas City and in Kansas since U.S. News & World Report began issuing the designations.

About Kansas City

A metropolitan area of 2.3 million people, Kansas City offers the diversity and excitement of a large city with the charm and convenience of Midwest living. Walkable, tree-lined neighborhoods surround the campus, which is within easy reach of the city's top destinations, including the Nelson-Atkins Museum of Art and the Country Club Plaza, a shopping district celebrated for its architecture and pedestrian-oriented design. The campus is less than 5 miles from downtown Kansas City, Missouri, which has been enhanced in recent years by the additions of an 18,000-seat arena, an entertainment district and a \$326 million performing arts center.
