

Supported Decision Making <http://www.supporteddecisionmaking.org/>

Expert on Grief and Loss: Alan Wolfelt.

"Companioning the Bereaved: A Soulful Guide for Counselors & Caregivers"

"Healing Your Chronic Illness Grief: 100 Practical Ideas for Living Your Best Life."

Advanced Directives: The Practical Center for BioEthics. The Center for Practical Bioethics is a fantastic resource, and we should be pleased it is a local organization with impact nationally and beyond. Their Caring Conversations material should be an element in all health care curricula.

Specific organizations and/or people for following on Twitter, Facebook, Instagram? Alice Wong has done some incredible curation of disability stories, and has a social media presence found her on Twitter @DisVisibility/Alice Wong's book, "Disability Visibility". A good read

Association of University Centers on Disability also is a great resource, and the program Public Health is for Everyone: <http://www.phetoolkit.org/>

Facing Disabilities blog

<https://facingdisability.com/blog/ive-been-paralyzed-since-i-was-3-heres-why-kindness-toward-disabled-people-is-more-complicated-than-you-think>

"Feeling Through" is an 18-minute documentary about a New Yorker who is deaf-blind. The documentary is powerful and the backstory (<https://www.nytimes.com/2020/03/07/nyregion/deaf-blind-actor-feeling-through.html>) is compelling.

Interrogating disability epistemologies: towards collective dis/ability intersectional emotional, affective and spiritual autoethnographies for healing

<https://www.tandfonline.com/doi/abs/10.1080/09518398.2019.1576944>

Association of University Centers on Disability, this time disability policy specific
