The categories above are consistent with our reporting of ethnicity and race to the Integrated Postsecondary Education Data System (IPEDS). Not all employees in this headcount are submitted to IPEDS. Ethnicity and race are reported for the domestic population.

Min. = Minority, includes Hispanic or Latino, American Indian or Alaska Native, Asian, Black or African American, Native Hawaiian or Pacific Islander, and Two or More Races. The denominator excludes international employees.

² The number of all paid employees with a faculty appointment, including those with volunteer faculty status.

³ Volunteer faculty includes non-paid affiliates and some paid employees of the Medical Center, excluding emeritus faculty not on payroll. Volunteer faculty provide educational service through preceptorships, grand rounds, classroom and laboratory instruction, research and other presentations. These figures represent the number of active volunteer appointments. Since most of these appointments are for three-years, these figures often follow a pattern of growth during a three-year cycle before resetting to a lower number.
