*Please note: If you are not a GTA/GRA in a PhD program, the number of enrolled credit hours in which you enroll may affect your eligibility for Federal Financial Aid and/or a loan deferment since typically you have to be at least half-time status to be eligible for financial aid or loan deferments. Be sure and check the website below which indicates how your enrollment status will be reported to the National Student Clearinghouse. Your status is based on the number of credit hours in which you are enrolled. <http://www.kumc.edu/studenthandbook/graduate.html#enrollstatus>
