

Kansas Rural Maternal Health Symposium

Delivering Change in Kansas:
Advancing Maternal Health Policy

Featured Speakers and Topics

Explore the latest and most pressing issues in maternity care across our state. Dive into crucial topics, including:

- The rising perinatal population and the challenge of OB deserts
- Navigating insurance coverage and reimbursement complexities
- Barriers and facilitators to bringing innovative models of care to rural Kansas
- Presenting an innovative interdisciplinary model for Obstetric care by a distinguished panel of providers from Labette Health

*Karen Weis, PhD,
RNC-OB, FAAN*

*Benjamin Anderson, President
& CEO, Hutchinson Regional
Healthcare System*

Don't miss this opportunity to engage with experts and enhance your knowledge. Together, let's improve maternity care in rural Kansas!
