AGREEMENT
KU–COMMUNITY COLLEGE NURSING PARTNERSHIP (KUCCNP)

This KU–Community College Nursing Partnership Agreement (this “Agreement”) is entered between the UNIVERSITY OF KANSAS, on behalf of its School of Nursing (“KU”), and FORT SCOTT COMMUNITY COLLEGE (“Community College”).

Purpose

The KU–Community College Nursing Partnership (“KUCCNP”) is an education program for pre-licensure nursing students in Kansas. A student in the KUCCNP program who has completed KU and Community College program prerequisites enrolls both in associate-level on-site courses in the Community College nursing program and baccalaureate-level distance-education courses delivered by the KU School of Nursing. Upon completion of the KUCCNP curriculum, the student concurrently earns an Associate of Applied Science (AAS) from the Community College and a Bachelor of Science in Nursing (BSN) from the KU School of Nursing.

The purpose of this Agreement is to define the parties’ responsibilities for implementation of the KUCCNP program.

KU and Community College Joint Responsibilities

KU and the Community College agree to:

• Admit KUCCNP students concurrently to the KU School of Nursing and the Community College nursing program.

• Adopt KUCCNP program prerequisites and the KUCCNP program curriculum outlined in Exhibit “A.”

• Mutually establish written policies for any exceptions to KUCCNP program requirements and policies.

• Coordinate holiday schedules, examination schedules, and graduation activities and ceremonies for the KUCCNP program.

• Coordinate and share access to events of interest to KUCCNP students, including lectures, workshops, and symposia.

• Coordinate admission, progression, and graduation policies and procedures for KUCCNP students.

- Arrange and oversee all clinical training and experiences required for KUCCNP students.

- Obtain and maintain professional liability insurance in the amount of at least one million dollars ($1,000,000) per occurrence and three million dollars ($3,000,000) annual aggregate covering each KUCCNP student. If the coverage is provided on a claims-made basis, then such insurance shall continue throughout the term of this Agreement and upon the termination of this Agreement, or upon the expiration or cancellation of the insurance, Community College shall purchase tail coverage for three years post-termination, or a policy with a retroactive date covering the term of this Agreement. Community College will notify KU at least thirty (30) days in advance of a material change in coverage. Upon written request, Community College will provide to KU a certificate of insurance evidencing the above coverage.

- Establish health standards for KUCCNP students, and maintain records on student compliance with health standard policies.

- Comply with Kansas State Board of Nursing reporting requirements.
• Comply with FERPA.
