<b>Total Credit Hours</b>				<b>74</b>			

- Full time study may not be possible and is not recommended if the student also works full time.

\* Depending on the student's background and transferable practicum/practice hours, the number of NRSG 963 Advanced Leadership Residency credit hours or other practicum/practice credit hours required will vary by student. Rationale: the American Association of Colleges of Nursing (AACN) *Essentials of DNP Education* recommends 1000 hours of post baccalaureate practicum. The attainment of 1000 hours will include the number of practicum/practice hours the student transfers in to the program, plus practicum/practice hours completed during the program.
