**ADMISSION REQUIREMENTS:** Students in the Dodge City Community College Associate of Applied Science in Nursing (AAS) program are eligible to enter the RN to BSN program upon completion of the prerequisites provided they have a minimum cumulative GPA of 2.50. Applicants must provide proof of a current RN license and submit three letters of recommendation in addition to the online application. Admission is competitive; applicants are not guaranteed admission. Applications are reviewed based on documentation of personal and scholastic aptitude as evidenced by: personal statement of interest and commitment to nursing, references, extracurricular, volunteer or community activities, personal characteristics, and nursing work experience.

When calculating GPA, all non-vocational and non-remedial courses from all colleges and universities attended are considered. Except for Intermediate Algebra, remedial courses are not factored into the GPA. When a course is repeated, both the original and the new grade are factored into the GPA. Except for ADN courses, courses that do not transfer to KU are not factored into the GPA.

**APPLICATION DEADLINE:** To have an application considered for admission, all parts of the application (including transcripts and references) must be submitted by the deadline appropriate for your anticipated start date. The following deadlines should be observed: November 1 for spring semester admission; April 1 for summer session admission; July 1 for fall semester admission.

**LIBERAL ARTS REQUIREMENTS:** The BSN consists of 120 credit hours, 60 of which are primarily liberal arts and sciences courses. The remaining 60 credits required make up the nursing major. Credit for the nursing major courses is earned through a combination of portfolio examination of ADN course work and KU BSN course work. The course list below details the 60 credit hours of liberal arts courses required prior to matriculation into the RN to BSN program at KU.

Courses with grades of "D" or "F" will not be counted towards the required 60 hours. No Pass/Fail courses will be accepted.
