ADMISSIONS REQUIREMENTS: Students in the Kansas City Kansas Community College Associate in Applied Science in Nursing (AAS) program are eligible to apply provided they have at least a 2.50 cumulative GPA. Applicants must complete all the prerequisite courses below and provide proof of a current RN license prior to the start of classes. Three letters of recommendation are required in addition to the online application. Admission is competitive; applicants are not guaranteed admission. Applications are reviewed based on documentation of personal and scholastic aptitude as evidenced by: personal statement of interest and commitment to nursing, references, extracurricular, volunteer or community activities, personal characteristics, and nursing work experience.

When calculating GPA, all non-vocational and non-remedial courses from all colleges and universities attended are considered. Except for Intermediate Algebra, remedial courses are not factored into the GPA. When a course is repeated, both the original and the new grade are factored into the GPA. Except for ADN courses, courses that do not transfer to KU are not factored into the GPA.

APPLICATION DEADLINE: To have an application considered for admission, all parts of the application (including transcripts and references) must be submitted by the deadline appropriate for your anticipated start date. The following deadlines should be observed: November 1 for spring semester admission; April 1 for summer session admission; July 1 for fall semester admission.

DEGREE REQUIREMENTS: The BSN consists of 120 credit hours, consisting of a combination of credit hours from KU BSN courses, your associate degree in nursing courses, and the prerequisite credit hours detailed below. All the prerequisite courses listed below must be completed prior to beginning the Online RN to BSN program.

Courses with grades of "D" or "F" will not be counted towards the required hours. No Pass/Fail courses will be accepted.
