TRANSFER GUIDE TO THE UNIVERSITY OF KANSAS
RN to BSN PROGRAM**

Number to call at KU for advising: (913) 588-1619

Website: www.nursing.kumc.edu
E-mail: soninfo@kumc.edu

ADMISSIONS REQUIREMENTS: Students in the Penn Valley Community College Associate in Applied Science, Nursing (AAS) program are eligible to enter the RN to BSN program upon completion of the prerequisite courses provided they have a minimum cumulative GPA of 2.50. Applicants must provide proof of a current RN license and submit three letters of recommendation in addition to the online application.

When calculating GPA, all non-vocational and non-remedial courses from all colleges and universities attended are considered. Except for Intermediate Algebra, remedial courses are not factored into the GPA. When a course is repeated, both the original and the new grade are factored into the GPA. Except for AAS nursing major courses, courses that do not transfer to KU are not factored into the GPA.

APPLICATION DEADLINE: To have an application considered for admission, all parts of the application (including transcripts and references) must be submitted by the deadline appropriate for your anticipated start date. The following deadlines should be observed: November 1 for spring semester admission; April 1 for summer session admission; July 1 for fall semester admission.

LIBERAL ARTS REQUIREMENTS: The BSN consists of 120 credit hours, 60 of which are primarily liberal arts and sciences courses. The remaining 60 credits required make up the nursing major. Credit for the nursing major courses is earned through a combination of portfolio examination of AAS course work and KU BSN course work. The course list below details the 60 credit hours of liberal arts courses required prior to starting the RN to BSN program at KU.

Courses with grades of "D" or "F" will not be counted towards the required 60 hours.
