ADMISSIONS REQUIREMENTS: Graduates of the Manhattan Area Technical College Associate Degree in Nursing (ADN) program are eligible to apply upon completion of the prerequisites listed below, if they have a minimum cumulative GPA of 2.50. Applicants must provide proof of a current RN license and submit three letters of recommendation in addition to the online application. Admission is competitive; applicants are not guaranteed admission. Applications are reviewed on the basis of documentation of personal and scholastic aptitude as evidenced by personal statement of interest and commitment to nursing, references, extracurricular, volunteer or community activities, personal characteristics, and nursing work experience.

When calculating GPA, all non-vocational and non-remedial courses from all colleges and universities attended are considered. Except for Intermediate Algebra, remedial courses are not factored into the GPA. When a course is repeated, both the original and the new grade are factored into the GPA. Except for ADN courses, courses that do not transfer to KU are not factored into the GPA.

APPLICATION DEADLINE: To have an application considered for admission, all parts of the application (including transcripts and references) must be submitted by the deadline appropriate for your anticipated start date. The following deadlines should be observed: November 1 for spring semester admission; April 1 for summer session admission; July 1 for fall semester admission.

LIBERAL ARTS REQUIREMENTS: Credit for the nursing major courses is earned through a combination of portfolio examination of ADN course work and KU BSN course work. The course list below details the 60 credit hours of liberal arts courses required prior to matriculation into the RN to BSN program at KU.

Courses with grades of "D" or "F" will not be counted towards the required 60 hours. No Pass/Fail courses will be accepted.
