For Instructors: Panopto Assignments in Blackboard Ultra

To create a Panopto assignment:

1. Click the plus sign icon in the course content section and choose “Create”.

2. Next, choose “Assignment”.

3. Name the assignment, then click the plus icon and choose “Add Text”.

4. Enter any essential information about the assignment and include a link to the document “For Students – How to Record and Share Panopto Videos”.

5. Students will then copy and paste the link to their recording to send in their submission.
