The family medicine training in Wichita is truly unique. I enjoyed the respect and camaraderie of fellow residents in multiple specialties as well as the attending physicians in these specialties. Residents are valued as the true coordinator of care for patients in and out of the hospital and have the opportunity to provide continuous care for our patients in so many settings.

Annie Dagg, M.D.
Family Medicine
• **Health, dental and vision insurance:** for the resident and the resident’s dependents/family is provided at a reasonable monthly cost to the resident. Two plan options are available.

• **Life insurance/accidental death and dismemberment:** WCGME pays full premiums for life insurance and accidental death and dismemberment up to $50,000.

• **Professional liability insurance:** Each resident is insured with limits as required by Kansas law as well as receives additional coverage provided by the Kansas Healthcare Stabilization Fund.

• **Long-term disability:** Full payment of premium for long-term disability that covers 60% of monthly earnings up to $3,000 per month of benefit after 180 days of disability.

• **Parking:** Permits for free parking at all Wichita hospitals.

• **Postgraduate permits and initial DEA registration:** Kansas license (Postgraduate Permit) is provided at no cost and initial DEA registration fee will be reimbursed for entering residents.

• **Salary Advance for Moonlighting Insurance:** Salary advances are available to purchase malpractice insurance for moonlighting activities approved by the Program Director.

• **Salary Advance for Relocation Expense:** As a NEW resident you are allowed salary advances of up to $2,000 to assist with relocation expenses.

---

“Great collegial and learning environment. The wide array of patient pathologies makes you a confident physician.”

Maha Mohamad, M.D.
Internal Medicine

• **PTO:** Each resident is provided with 20 weekdays (4 weeks) of paid time off (PTO) each year.

• **Medical, parental, caregiver leave:** Upon entry into residency, each resident is given an additional 30 weekdays (6 weeks) of paid leave that can be used throughout their residency training.

• **FMLA:** Residents who have been employed for at least 12 months and worked at least 1,250 hours qualify for FMLA.

• **Bereavement leave:** Residents will receive paid bereavement leave as approved by the program director.

• **Additional time off:** Additional time off may be granted by the program director without pay for unusual situations. The need to “make up” additional time to meet requirements of specialty boards will be considered and determined by the program director.

“Residency at KUSM-W is a supportive community and a diverse array of colleagues to learn with and work alongside.”

Job Mogire, M.D.
Internal Medicine

“KUSM-W provides me with a challenging environment that fosters professionalism along with personal growth as part of a team of diverse, bright and team-oriented individuals to deliver care to a broad range of patients in multiple, unique clinical settings.”

Tyler Combs, D.O.
Radiology
