

Level I: In addition to Level II competency, the graduate will be able to perform or capably assist with the following procedures.

Level II: The graduate will be able to describe the indications, complications, and limitations of the following clinical procedures and diagnostic procedures listed.

LEVEL I	Procedure in Logging	Clerkship(s)
ABG Analysis		Crit Care
ADL/IADL assessment		Geri
Application of splints	Immobilize with cast/splint or collar	FM
Arterial puncture	Draw Arterial Blood	Surg, Crit Care
Cardiopulmonary resuscitation		Skills Lab, Crit Care
Central venous line placement		Surg, Crit Care
Cerumen disimpaction/irrigation		FM, Geri, Peds
Construct family pedigree		Peds, FM
Decision-Making Capacity Assessment		Geri
Developmental Screening Test		Peds
EKG interpretation		IM, FM
Exam, Breast		Ob/Gyn
Exam, Digital Rectal		Surg
Exam, Pelvic		Ob/Gyn
Endotracheal intubation	Insert Endotracheal Tube	Surg, Crit Care
Immobilize Neck		Surg
Incision and Drainage (I&D)		Surg
Informed Consent		Surg
Laryngoscopy (direct & indirect)		Surg
Mental Status Exam		Geri, Psych
Mobility Status Assessment		Geri
Newborn resuscitation		Peds
Nutritional Status Assessment	Nutritional Support	Geri, Peds
Obtain vaginal and rectal samples, including Papanicolaou Smear		Ob/Gyn
Ostomy care (tracheostomy, colostomy, or ileostomy)	Ostomy Care	Surg
Pressure Ulcer Staging		Geri
Pulmonary peak flow		FM, Peds
Righting Reflex assessment		Geri
Sexual Maturity Assessment (Tanner)		Peds
Skin lesion removal/biopsy/destruction	Skin Lesion Removal/Biopsy/Destruction	Surg, FM
Spirometry interpretation		FM, Peds
Sterile (aseptic) technique	Sterile Technique	Surg, Ob/Gyn

Suturing/laceration repair	Suture Repair Wound / Laceration	Surg, FM
Tympanography interpretation		FM, Peds
Ultrasonography (prenatal)		Ob/Gyn
Urinary Incontinence Assessment		Geri, Surg
Vaginal delivery/perineal repair		Ob/Gyn
Venipuncture/phlebotomy	Draw Venous Blood	Surg
Wound care/dressing change	Wound Care/Dressing Change	Surg, Geri
Rapid strep screen/upper respiratory screen		Peds, FM

LEVEL 2

Procedure

Clerkship(s)

	Procedure	Clerkship(s)
Application of casts	Immobilize with cast/splint or collar	FM
Audiometry interpretation		Geri
C-section delivery		Ob/Gyn
Cardiac stress test		IM
Circumcision	Circumcision	Peds
Colposcopy and cervical biopsy	Colposcopy	Ob/Gyn, FM
Endoscopy	Endoscopy	Surg
Endometrial biopsy		Ob/Gyn
Injection/aspiration peripheral joint	Injection/Aspiration of Joint	FM
Informed Consent		Geri
EEG		Neuro
EMG/nerve conduction studies		Neuro
Lumbar puncture		Peds
Medication injection		Peds
Nebulizer treatment		FM, Peds
Paracentesis		Med
Thoracentesis/chest tube		Surg, Crit Care
